Good Morning Jeff,

In error I had attached the unsigned letter. I recalled the letter quickly then reattached the scanned signed letter and resent. My mistake ... sorry! Otherwise all 3 firms have been notified by email.

Hi Karen,

I received a call and was told that **Section 27(1)(a)** received a letter by e-mail but that the e-mail was then recalled. Was there some confusion on our end? Have the unsuccessful firms be notified?

Jeff
